

Vafa Bagheri

I am a passionate, multidisciplinary producer and film maker. Having started my career in Iran's media industry, I am now developing, scheduling, and producing short dramas, documentaries, and podcasts in the UK. I thrive in fast-paced environments, and I deeply care about the stories in the world around me. I gain a sense of achievement from helping to organize a production so it runs smoothly.

Norwich, UK
Planning to relocate to London

PROJECTS

Will you give him my prayers? - Short Drama

Co-Producer & Director

January 2026

Planned and coordinated a two-day shoot in heavy rain, managing actor logistics, transport, crew welfare, and weather contingency measures to ensure smooth production delivery.

Elm Hill Documentary Series

Creative Producer & Director

June 2024 – May 2025

Researched, developed, and produced documentaries about Elm Hill in Norwich using limited equipment, leading to coverage by BBC and Eastern Daily Press, and a local screening in Norwich.

Spring Fairy - Short Documentary

Creative Producer & Director

March 2023 - September 2023

Planned and scheduled a three-day shoot in highly secured mountains of Iran, securing filming permissions and maintaining battery power in a location with no electricity, leading to a festival nomination, a screening at Cinema City, and a Vice-Chancellor's Award from Norwich University of the Arts.
